Mitrata Nepal celebrated it's 12th anniversary on 6th January 2012. Our good friends from the Cornell University, New York, U.S.A gifted the organization with a celebration fund to celebrate this joyous moment. We would like to thank all the students and teachers in Cornell University for their generosity and support. On the same note, we would like to thank all our Donors, Sponsors and Well Wishers for their continuous support and help. We are forever thankful to you all. We are determined as ever to work hard to uplift the living standard of our children.
