The Mitrata children have been busy lately practicing for our upcoming fundraising event on September 21st at Kathmandu's Patan museum. We will be hosting a cultural exchange program featuring a special performance by our dear friend Minako Abe, who will be traveling all the way from Japan for the event. We will be showcasing the artistic talents of our children's art will be displayed among the works of local artists. Special thanks and many blessings to our supporters, and all the wonderful people who have assisted us in organizing this event.

Sincerely yours,

Mitrata Nepal Children Home
Kathmandu.
